First off, grab bags are fun I started buying them to see what has happened the past 20 years I have not been reading comics. I have bought about 20 bags in the past few months. This is the the best bag I have gotten by far. No fillers, no second rate titles. First book was Harley Quinn and her band of Harley's variant #3 which is valued more then what I payed for the bag! Shipping was a little slow but worth the wait, each day coming home from work is like checking if Santa stopped by. The other titles were mainly Batman, 1 Demon title, 1 JL a vertigo comic and an Eclipse. They even snuck in Batman Bloodborn Graphic novel! Too much Batman ? Only if your a villain imo! So I'm ordering 2 more after this review, beyond happy with my purchase, thank you HF for providing these GBs for sale and if your reading, huge Flash and suicide squad fan, wink wink :)
